From intimate weddings for 20 guests to larger events for 110 to cocktail parties for 300, we have the perfect venue.

The Victoria Hotel's Art Deco Swanston Room is one of Melbourne's best kept secrets. It has a charm reminiscent of the 1920's, with mirrored alcoves, warm copper hues and a gleaming dance floor. The Swanston Room has superb style and atmosphere.

Talk to our dedicated wedding co-ordinator who can assist with all aspects of your wedding preparations.

Receive recommendations for florists, decorators, transport, entertainment and any number of other small details, which will contribute to the seamless organisation of your special day.

The Victoria Hotel is perfectly located right in the centre of the city in fashionable Little Collins Street, just next to the Melbourne Town Hall. Restaurants, cafes, galleries, theatres and parks and gardens are all just moments away. The Hotel is a Melbourne icon with a wealth of history.

You and your guests can arrive at the Hotel, park, stay the night, enjoy your celebrations, then indulge in a leisurely breakfast, and perhaps rediscover Melbourne.

There are a multitude of photo opportunities to be had. Consider the steps of Parliament House on Spring Street, the lanes running off Little Collins Street, our own lobby with its marble floors and grand staircase.

Celebrate in style with an inner city wedding. Let Melbourne be your backdrop, with its timeless appeal and striking architecture. A wedding in the centre of town can be the perfect solution for gathering friends and family, not only from all over Melbourne, but also from the country, interstate and overseas. Accommodate your guests at the wedding venue, then they can stay on after you have left for your honeymoon to experience Melbourne for themselves.
